A note from the Director...

Dear Families,

Happy Summer! Well, not quite yet, but it sure has been feeling like it that past several weeks! Thank you all for making our Mother's Day program as well as the Spring program and graduation a pleasant and successful experience. It was so nice seeing you all attend. The generous donations of money during the Tupperware Raffle allowed us to purchase a refrigerator for our Toddler Room as well as a larger refrigerator for our Infant room! Thank you to all who contributed to the raffle!

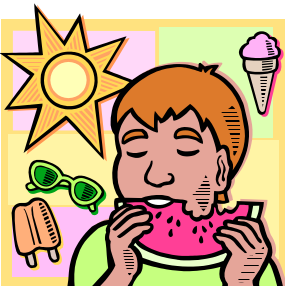

Our first-ever Talent Show at Amazing Beginnings was a great success! All of the children did an excellent job— it was fun to see them perform and be proud of themselves. We have since had a little "impromptu" circus, this morning in-fact, as the children are now more comfortable performing in front of their friends.

We're looking forward to seeing many of you fathers, grandfathers, and significant others at our Father's Day celebration on Thursday, June 17th at 11:30am. The kids have been practicing songs for you and have a special surprise for you, too! Please bring a lunch to share with your child that day!

And finally, it's been a lot of fun having all the kids here, and we are going to miss the families who are leaving us this summer. All of us at Amazing Beginnings want to Thank You for coming to our school, and want you to know we would LOVE it if you come and visit us! You are always welcome here, and we want to wish all of the children moving onto Kindergarten best wishes and good luck! ~Ms. Jacki

A note from our Montessori Teacher...

To all the children and their families who are finishing their time at Amazing Beginnings ~ It has been a pleasure getting to know all of you, and I hope you all have a wonderful summer! I hope you eat lots of ice cream and do a lot of swimming! Have fun in kindergarten!

~ Ms. Helena

First Day of Summer!
Bring a beach towel to
school today!**

Please Remember...

*It is VERY important to sign your child in and out from school each day.

*Please let us know if your child will not be in school on a particular day, by calling or emailing us.

*Please take your children's naptime blankets home the last day of the week that they are here so that they can be washed.

*Please bring in a swimsuit for your child, as we like to play water games with the kids when it is really hot out. If their clothes get wet, we have them change into an extra pair set of summer clothes from their cubby.

*You can bring in sunscreen for your children. Make sure your child's name is on it and then please give it to a teacher so we can place it in our sunscreen basket.

*Check your child's cubby for papers they have done each day. At the end of the day on Fridays any papers on top of the cubbies will be tossed.

*As your child's immunizations get updated, please bring a copy for us at school as well.

THANK YOU VERY MUCH!!!

Pizza Fridays in July & August!

During a couple of the Summer months we thought the children would enjoy having "Pizza Fridays," as a way to finish up the week and have extra fun!

We will be ordering cheese pizza on Fridays, and having that delivered at lunch time for the months of July and August.

If you would like your child

to have pizza on Fridays, we ask that you pay \$2.50 each Friday for pizza.

If you wish, you can add the "Pizza Friday" cost to your monthly tuition.

We also will be doing special

Pizza Friday Monthly Cost:

July \$12.50

August \$7.50

Summer time at Amazing Beginnings...

Letter of the Week

	Preschool	Toddler
6/7	Ff	Dd
6/14	Jj	Ff
6/21	Uu	Jj
6/28	Ww	Uu

Show & Tell on Fridays:

Bring an item from home that begins with the letter of the week that your child has been learning about.

Summer Time Switcharoo!

We will be doing many more crafts and summer time activities the summer months. We will start up studying the various States in the U.S. and the characters of the month in September.

Watch for "Theme Day" notes, too!

As we will be doing some more painting projects and things that might get clothes messy, it would be awesome if you could bring in a "paint shirt"(if you haven't already) so that your kids can protect their outfit during our Art projects. Thanks!

Refer a family to our school and if they enroll their children, you will receive a \$50 gift card to a place of your choice!

Children are welcome to bring water bottles to school so that when we are outside they can get quick drinks from them. Remember to label the bottle with their first and last name.
