Note from the Director

Hello Everyone,

After all the hustle and bustle of the holiday season it is now time to get our thoughts together for the new year.

We, at Amazing Beginnings Montessori are really excited about 2010. Our Montessori program is in full swing and the children are responding very well. It is so fun to see them learn and grow under our care. We have some new faces at our school, too. Ms. Rachel is completing her internship for her Early Childhood degree at Rasmussen. You will see Ms. Rachel at our school each day from about 8am until 1:30pm. Avery, her daughter, is also a great addition to our Preschool class!

Ms. Suzanne is also a new face you might see at our school. Ms. Suzanne is a member of the church, and has volunteered to help Ms. Colleen and myself out during naptime.

Our school is turning into a busy place that is great!!! And the last bit of big news... Our Infant room is finished and on Jan.4th we will have 2 infants joining our school!

Our hope and prayer for this year is that your children will become better adults because they were here! Have a safe and Happy New Year!

Blessings to everyone for 2010,

Ms. Jacki

Spotlight Event

Play It Safe

Please make sure your kids have a jacket, hat, snow pants and **WATERPROOF GLOVES**, to go outside. It is required that we take them outside daily unless it is raining and or terribly cold.

Please make sure your kids have an extra set of clothes at the center at all times just in case they have an accident of any kind.

Have you noticed the sheet of ice covering our parking lot and hill? Makes walking and driving up it a bit difficult! Due to the sheet of ice that is forever daunting... if you wish, you may park in the upper church lot and enter the school using the main church front door on 70th St. Descend the stairs to your right, and you will be in familiar surroundings once again! Our hope is to keep you, your family(and car!) safe. Our normal school doors will remain an option for you as well.

Great News!

We are very happy with how our program is accepted and appreciated by all of you. Our number one goal is always to provide the best care and education we can for your child.

Thank you to all of you who gave away the coupons for our school at Christmas time. We have enrolled several new children for 2010.
